Skills

BACK-END DEVELOPMENT: C++, Node.js, SQL, MongoDB, JavaScript,

FRONT-END DEVELOPMENT: ReactJS, Bootstrap, Tailwind CSS, HTML, CSS

Tools: GitHub

Soft Skills: Time Management, Adaptability, Attention to Detail, Delivering Results

Work Experience

Firnas.tech Nov 2024 – Mar 2025

Software Engineer

 Built and maintained responsive, user-centric web interfaces using modern front-end technologies. Collaborated with cross-functional teams, showing strong problem-solving, adaptability, and teamwork.

Sparking Asia Sep 2024 – Oct 2024

Software Engineer

- Developed and enhanced front-end components for web applications.
- Actively Participated in learning and improving web development skills.
- Demonstrated dedication and enthusiasm in assigned tasks.

Code Alpha, Lucknow (Virtual Internship)

May 2024 - Aug 2024

Software Intern

- Contributed to a project as a front-end web developer at Code Alpha, which enhanced my technical skills and overall project experience.
- key technologies such as ReactJS, ExpressJS, NodeJS, MySQL, and Bootstrap, which strengthened the project's responsiveness and performance.

Project Work

- Revolutionizing Cancer Detection (2024)
- Developed a research paper focused on detecting lung and colon cancer in early stages using deep learning techniques, which achieved an impressive accuracy rate of 96%.

Awards and Certificates

- HTML & CSS in depth: Received certificate From Meta by Completing Web course on Coursera
- Foundations of User Experience (UX) Design: Received UX designing certificate from Google
- Introduction to Software Engineering: Received Software Engineering certificate from IBM
- Introduction to Object-Oriented Programming in C++: Completed at University of London

Education

UMT Lahore Oct 2020 – Sep 2024

Bachelor of Science in Software Engineering

Completed coursework in Object-Oriented Programming, Databases, Data Structures & Algorithms, Machine Learning,
Data Mining, Information Security, Operating Systems enhancing problem-solving and software development skills
